Career Preparation for Grades 3-4 [Form C: Tabs/Parts 1-2] and
Career Preparation for Middle School Students [Form D: Tabs/Parts 3-4]
were originally published together, because many guidance counselors in Maine have responsibility for students K-8. These documents are part of a series culminating in *Personal Learning Plan—Career Preparation for High School Students* [Forms A & B]. All of these documents relate career exploration to Maine Learning Results (MLR) and incorporate student performance criteria.
